## BOOZE OR MEDICINE?

Which will you have? If a woman suffering from one of the delicate ailments peculiar to her sex it will be well for you to know that Dr. Pierce's Favorite Prescription is the only remedy advertised for such ailments which is absolutely free from intoxicating liquors and all other harmful agents. The good you feel from its use is not the delusive exhilaration from a tipping beverage, from which the system reacts into a worse condition than before. It may be a little slower in manifesting its bracing and invigorating action, but its benefits are none the less positive and, best of all, they are lasting. It's an honest medicine—a no-beverage.

I have been taking your medicine for the last three weeks and can say I am gaining strength," writes Mrs. Seneth Kiny, of 505 East Madison Street, Mount Pleasant, Iowa. "I have been having very poor health all winter. I doctored with our family doctor but was relieved only while taking the medicine. I took Dr. Pierce's medicine several years ago. I knew it was good for any one suffering with female trouble. Have taken only one bottle and am gaining strength very fast. I could not eat nor sleep when I began taking the 'Favorite Prescription.' Heart trouble and I had cold and numb spells till my heart would almost stop beating. Have had one child since first taking your medicine. If I continue with your treatment all positive I will be cured."

Every suffering woman in this land should write to Dr. Pierce and learn how certainly he can help her to health and strength. It costs nothing to write and receive entirely free the advice of one of the most experienced physicians in this country. His great thousand-page book, the Common Sense Medical Adviser, in stiff paper covers, will be sent free for 21 one-cent stamps the bare cost of mailing, or send 31 stamps for cloth bound. Address Dr. R. V. Pierce, Buffalo, N. Y.

These ORIGINAL Little Liver Pills, first put up by Dr. R. V. Pierce over 25 years ago, have been much imitated but never equaled. They're made of purely vegetable, concentrated and refined medicinal principles, extracted from native American roots and plants. They specially relieve and cure foul, torpid and deranged stomachs, livers and bowels, and their action is distressful ailments. One or two a laxative, three or four a cathartic.

Don't allow the dealer to insult your intelligence by offering his own remedy for you instead of this well-known preparation of Dr. Pierce.

## A WOMAN TO BE PRETTY

Must Have Luxuriant and Glossy Hair, No Matter What Color.

The finest contour of a female face, the sweetest smile of a female mouth, loses something if the head is crowned with scant hair. Scant and falling hair, it is now known, is caused by a parasite that burrows into the scalp to the root of the hair, where it saps the vitality. The little white scales the germ throws up in burrowing are called dandruff. To cure dandruff permanently, then, and to stop falling hair, that germ must be killed. Newb's Herpicide, an entirely new result of the chemical laboratory, destroys the dandruff germ, and, of course, stops the falling hair, and prevents baldness. Sold by leading druggists. Send 10c, in stamps for sample to The Herpicide Co., Detroit, Mich.

## STRONG Again

is what Mrs. Lucy Stovall, of Tilton, Ga., said after taking Kodol Dyspepsia Cure. Hundreds of other weak women are being restored to perfect health by this remedy. YOU may be well if you will take it. Indigestion causes nearly all the sickness that women have. It deprives the system of nourishment and the delicate organs peculiar to women suffer—weak, and become diseased.

## Kodol Dyspepsia Cure

enables the stomach and digestive organs to digest and assimilate all of the wholesome food that may be eaten. It nourishes the body, and rebuilds the weak organs, restoring health and strength. Kodol cures indigestion, constipation, dyspepsia, sour risings, belching, heartburn and all stomach disorders.

## MR. BRYAN AS WITNESS.

William J. Bryan appeared in the Probate Court at New Haven, Conn., yesterday, at a hearing on the accounts of the estate of the late Philo S. Bennett, of which Mr. Bryan is administrator. During the examination Mr. Bryan submitted to a rapid fire of questions from Judge Henry Stedward, counsel for Mrs. Grace I. Bennett, the widow, and at times considerable impatience was manifested by both the questioner and the witness.

Attorney White was first put on the stand as counsel for the administrator to explain the accounts, but Mr. Bryan interrupted so frequently that Judge Stedward suggested that Mr. Bryan wait until he was on the stand before he attempted to explain matters. Mr. Bryan then said:

"Your honor, I object to the insinuations thrown out by Judge Stedward. For 18 months I have heard these insinuations and I am tired of it. I am willing to testify. I want to testify."

Judge Stedward remarked that if Mr. Bryan would go on the stand later he would ask him questions. The examination of Mr. White then proceeded. This ended, Mr. Bryan took the stand. He said to the best of his knowledge the amount presented in court was the exact amount of the money received from the estate. He only knew of the value of the co-partnership from the appraiser's report and statements made to him by Mr. Sloan.

"Do you know the face value of the bills, notes and accounts receivable due to Bennett, Sloan & Co., at the time the business was taken over by the new corporation?" asked Judge Stedward.

"I only know from the statement filed that it was \$227,855.57," Mr. Bryan replied.

"In other words, you know it only from statements made by Mr. Sloan?"

"Yes, that's all. I think no examination was made except by the appraisers."

When asked about the amount collected on notes outstanding, Mr. Bryan stated that the loss on accounts was only \$2,500.

It appeared that on July 1, 1904, Mr. Sloan turned over to Mr. Bryan as executor \$172,844, but Mr. Bryan could not say for how long a time this sum had been accumulating. His statement that he had allowed the new corporation 90 days' time in which to sell merchandise of the estate was subjected to some criticism by Judge Stedward, who asked if he had the 90 days' time not been given would it not have been possible to have paid the legacies earlier.

"I paid the legacies as fast as my attorneys thought it safe to pay them," replied Mr. Bryan.

## KILLED BY A BOMB.

A dispatch from Baku, Caucasasia, says that the governor of Baku, Prince Nakachidze, was assassinated at 3 p. m. yesterday by a bomb which was thrown at his carriage. A lieutenant who was accompanying the governor and a bystander were also killed by the explosion, and the coachman is believed to have been fatally injured.

Though no details of the assassination of Prince Nakachidze, governor of Baku, Caucasasia, at Baku, Wednesday, have been received at St. Petersburg, the expression there is that the outrage was the work of the Armenian revolutionary committee, in revenge for the attitude taken by the prince during the racial war between Armenians and Tartars in February last, and is not attributable to Russian terrorists, even though the latter are at present extremely active in many parts of the empire.

The Armenians laid the responsibility for the death of those slain in February at the door of Prince Nakachidze, and only Tuesday suit was begun against the prince before the Senate tribunal at St. Petersburg, in behalf of the children of Lalaieff, a Baku millionaire, whose house was stormed and burned, and himself, his wife, and parents killed during the riots. In the suit damages to the amount of \$12,500 were claimed, it being maintained that the governor, instead of performing his duty by stopping the massacre, actually incited the Tartars to attack the Armenians.

Prince Nakachidze was popular among the Russian element in the Caucasus. He was a man of high spirits, and, in spite of the hatred of the powerful Armenian revolutionary committee, he disdained military protection, and appeared on the streets unattended. He refused to heed the warnings and entreaties of his friends.

The chief of police of the Snylen district, Poland, has been shot and seriously wounded by a band of roughs. Ten arrests have been made in connection with the shooting.

Four persons were killed and thirty wounded in a fight at Warsaw last night between Jewish workmen and the Jewish keepers of disorderly houses. Both sides used knives. The dead and wounded were terribly mutilated. The quarrel is said to have originated at a wedding which took place yesterday.

## Man's Reasonableness

is often as great as women's. But Thos. S. Austin, Mgr. of the "Republican," of Leavenworth, Ind., was not unreasonable, when he refused to allow the doctors to operate on his wife for female trouble. "Instead," he says, "we concluded to try Electric Bitters. My wife was then so sick she could hardly leave her bed, and five (5) physicians had failed to relieve her. After taking Electric Bitters she was perfectly cured and can now perform all her household duties." Guaranteed by E. S. Leadbeater & Sons, druggists, price 50c.

## Chamberlain's Cough Remedy the Very Best.

"I have been using Chamberlain's Cough Remedy and want to say it is the best cough medicine I have ever taken," says Geo. L. Caub, a merchant of Harlan, Mich. There is no question about its being the best, as it will cure a cough or cold in less time than any other treatment. It should always be kept in the house ready for instant use, for a cold can be cured in much less time when promptly treated. For sale by Gibson & Timberman and W. F. Creighton & Co.

## There Is a Difference.

The difference between Kennedy's Laxative Honey and Tar and all other Cough Syrup is that it moves the bowels, thus expelling a cold from the system. This relieves the irritation and by its healing effect on the throat and lungs the cough is relieved—cured entirely. Kennedy's is the original Laxative Honey and Tar and contains no opiates. Good alike for young or old. Tastes good. Sold by V. C. Creighton, 201 King street, and corner Queen and Patrick street.
